Tim Trepal's Website | github.com/thomas-forte/tim-trepal | www.timtrepal.com
- Custom-designed personal portfolio site for TIm Trepal. Includes unique, creative layout and user-friendly design showcasing the client's portfolio.
- Designed wireframes & graphics and provided assistance with coding
- HTML, CSS, JavaScript

EXPERIENCE

Freelance   2023 – present
Web Designer/Front End Developer   Cleveland, OH
Designed and developed responsive front ends for several clients' websites, as well as personal projects. Utilized vector graphics, typography and color theory to produce clean, aesthetically-pleasing designs in styles ranging from minimalism to flat design to skeuomorphism and beyond. Generated interactive fields, constructed a customized css utility class library and assisted in building a RESTful web API for data storage and retrieval from a database.

Team Leader   2015 – 2024
Party Safari   North Randall, OH
Coordinated logistics on day-to-day operations of an event equipment rental company by directing and
supervising team members, communicating with customers, managing orders and organizing delivery logistics.

OTHER WORK EXPERIENCE

Freelance   2012 – 2015
Video Production   Cleveland , OH
Shot, edited, and collaborated on multiple video production projects in locations across Ohio. Worked with
clients to deliver polished final products on time and within budget.

EDUCATION

Full Stack Web Development Boot Camp Certificate: Case Western Reserve University, Cleveland, OH
An intensive, 6-month program focused on gaining technical programming skills in HTML5, CSS3,
JavaScript, JQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and
ReactJS.

Bachelor of Science in Communication: Ohio University, Athens, OH
